RULES FOR EXAMINATIONS

PASSED BY THE SYNDICATE.

(i) .ARTS.

I.—General.

(a) Appointment of Examiners.

1. In May of each year the Syndicate shall appoint gentlemen to set the question papers in all the subjects of the Arts Examinations of the current academical year.

2. No gentleman shall be appointed to set a paper in a subject of which he teaches the whole or a part.

3 Not less than a month before the commencement of the Arts Examinations the Syndicate shall appoint examiners to look over the answer papers of the candidates, and four Head Examiners to superintend the work of the Entrance examiners, one in each of the following subjects :—

(1) English.	(3) Sanskrit and Bengali.
(2) Mathematics.	(4) History and Geography.

(b) Setting Papers.

4. Gentlemen appointed to set the examination papers are requested to write in the margin opposite to each question the maximum number of marks they intend to assign to it.

5. The papers set should be such as candidates can reasonably be expected to answer within the time allotted.

6. The questions in each subject should be fairly distributed over the whole course in that subject and should, as far as possible, conform to the standard of previous years. Where two or more alternative text-books or groups of text-books are prescribed in any subject, the examination questions shall be so framed as to be capable of being answered out of any one of the prescribed text-books or groups of text books.

7. The examination papers, *in duplicate*, written very legibly on one side only of foolscap paper, are to be sent by post in a sealed and registered double cover to the Registrar at his private residence. No copy of any examination paper is to be retained by the gentleman setting it.

(c) Examination of Papers.

8. The examiners will be expected to be present in Calcutta

during the examination in the subjects for which they have been specially appointed.

9. When two or more examiners are appointed to examine answers to the same question paper, they shall meet as soon as possible after the examination to decide upon a uniform system of marking.

They shall elect one of their number to act as Chairman, whose duty it shall be to decide all questions that arise after the meeting of the examiners, and to forward to the Registrar a copy of the rules agreed upon at the meeting.

In the case of the Entrance Examination the Head Examiner shall be *ex-officio* Chairman.

10. Each examiner shall be furnished with a roll containing the names and numbers of all the candidates to be examined by him, in which he shall enter the total number of marks assigned to each candidate.

The total number of marks must in every case be a whole number; if the roll submitted by an examiner contains fractional marks, it will be returned to him for correction.

11. The Examiners shall mark on each answer paper the marks assigned to each question, as well as the total marks.

12. The Examiners will be expected to examine the papers of the candidates in the order in which their names appear in the roll, and at the end of each week to send to the Registrar the pages of the roll containing the marks assigned to the papers examined

13. As soon as the results have been tabulated, the Registrar shall prepare a list of the candidates who have failed in one subject only and in order to guard against any possible inaccuracy their papers in that subject shall be re-examined by the original examiners, or by the Head Examiners, on the method of marking already adopted, and without any alteration of the standard.

To facilitate the work of re-examination, the examiners, or the Head Examiners, as the case may be, shall keep the answer papers of the candidates arranged in the order in which their names appear on the roll.

The answer papers shall be returned to the Registrar as soon as the work of re-examination is over

14. Six weeks before the Arts Examinations take place the Syndicate shall fix the latest date for sending in marks.

If any examiner fails to send in all his marks within the prescribed period, the amount of his remuneration shall be reduced by Rs. 16 for each day by which he exceeds that period.

15. Each examiner shall write his name and the subject of examination at the foot of every page of his roll.

16. No entry shall be made in the roll against the name of any candidate from whom no paper is received

17. Examiners are requested to keep the result of the examination and the marks assigned to candidates *strictly secret*.

18. Not less than a month before the commencement of the Entrance and F. A Examinations the Syndicate shall appoint, from among the representatives of the Faculty of Arts, four Moderators. The Moderators, in consultation with the Registrar, shall be empowered to pass candidates who have failed in one subject only in either of the above examinations, by the addition of grace marks. If the Moderators and Registrar are not unanimous on any point, it shall be referred to the Syndicate at their next meeting.

University Library.

Babu Joykissen Mookerjee, of Ooterpara, made a donation of Rs 5,000 to the University, on the 20th July, 1869, for the purpose of forming a Library. The amount was invested in four per cent. securities till the completion of the University building.

In 1874, the sum of Rs 3,500 was added to the Library Fund from the surplus income of the University of that year; and the Syndicate, having thus at their disposal more than Rs 9,000 appointed a Committee to report on the steps it was advisable to take to form a Library. The Committee reported (see Minutes, Vol. XVIII, page 22) that they thought "it desirable to begin with procuring such books as shall render the Calcutta University Library

Supplementary to other Libraries now existing in Calcutta." The general principles laid down by the Committee, and the mode of procedure they proposed for adoption, were approved by the Syndicate; and further transfers have, from year to year, been made to the Library Fund from the surplus income of the University. Several instalments of books have been received, and the Library now contains, besides English works of reference, and the chief authorities on Indian antiquities, fairly complete sets of the Sanskrit, Arabic, Latin, French and German classics The following Regulations have been approved by the Syndicate :—

Regulations for the Management of the University Library.

1. (*a.*) The Library shall be under the management of a Committee consisting of not less than five Resident Fellows of the University, who shall be appointed annually by the Syndicate. The Registrar shall be *ex-officio* Librarian and Secretary of the Committee.

Appointment of the Committee.

(*b.*) Members of the Committee, who may leave India during their year of office, with the intention of not returning before the end of their time of office, shall be considered to have vacated their membership.

(*c.*) Vacancies which may be caused by the retirement or departure of Members, or otherwise, at any time during their year of office, shall be reported to the Syndicate who may then, at their discretion, nominate other Fellows to the office vacated.

(*d.*) The Syndicate may at any time, at their discretion, appoint additional Members to the Committee.

2. (*a.*) It shall be competent to the Committee to make such bye-laws, rules and arrangements, as they may think fit, for holding meetings, and generally for conducting the business pertaining to their office, provided that all such rules and arrangements are consistent with the provisions of the Act of Incorporation, the Bye-laws of the University, and with these present Regulations.

Powers and duties of Committee.

(*b.*) The Committee shall decide on the purchase of books with the money placed at their disposal for that purpose by the Syndicate.

(*c.*) The Committee shall establish a regular and authentic record of all books borrowed from the Library and returned to it, together with the names of borrowers, the dates of borrowing and returning, and such further details as they may deem advisable

3. The Library is for the use of Resident Fellows of the University, and they alone have the privilege to use it, subject to the present Regulations and to such further rules and orders as may be agreed to by the Library Committee under regulation 2 (*a.*)

Privileges of Fellows.

4. (*a.*) Persons residing in Calcutta, not being Fellows of the University, may receive special permission from the Syndicate to use the library for the purpose of Literary research. Such permission will be granted only on the recommendation of the Library Committee.

(*b.*) In recommending any person to the Syndicate under this Regulution, the Library Committee shall specify in writing for the information of the Syndicate, the grounds on which they base their recommendation.

(*c.*) Persons not being Fellows of the University may consult the Library for the purpose of literary research, without removing the books from the Library, between the hours of half-past ten A.M. and half-past three P.M. on the written recommendation of a Member of the Library Committee to the Librarian, but not otherwise.

Conditions of borrowing and returning books.

5. In this Regulation the term "volumes" shall include pamphlets and parts of works separately sewn.

(*b.*) No book shall be issued and delivered except to the authorised borrower in person, or to some one having written authority from him to receive it on behalf of the authorised borrower.

(*c.*) Every volume borrowed shall be returned to the Library within two calendar months of the date on which it was removed from the Library. In case any borrower fails to return any book within this period, a notice shall be sent to him by the Librarian calling for the return of the book

Hughli College.

AFFILIATED, 1857.

This Institution was founded in 1836, and was originally supported from funds bequeathed by Muhammad Mohsin, a wealthy Muhammadan gentleman, who dying without heirs in the year 1806, left his large property, yielding an annual income of Rs. 45,000 to Muhammadan Trustees "for the service of God." Owing to the misappropriation of the funds Government assumed the office of Trusteeship. The right of assumption was opposed by the original Trustees, but upheld both by the Courts in India and by the Privy Council in England. The period of litigation extended over many years, during which the annual income accumulated, forming a surplus of Rs. 8,61,100. The surplus was devoted to the foundation and endowment of the Hughli College, and was further increased by a portion of the original zemindaree that became available on the death of one of the Mootawallees of the Hughli Imambarah, an Institution which also derives its support from Muhammad Mohsin's legacy. The College endowment was further increased by the accumulation of unexpended revenue, until the income amounted to Rs. 51,000 per annum. In 1873, the Government of India resolved to transfer the whole of the Mohsin endowment to the purpose of Muhammadan education throughout Bengal, and accordingly increased the provincial assignment for education in Bengal by Rs. 50,000 a year, in order to meet the expenses of the Hughli College, which has now become an Institution maintained by the Government.

The College consists of three Departments, an English, an Arabic, and a Law Department, and is under the control of the Director of Public Instruction, Bengal. The English Department is open to all students who have passed the Univers ty Entrance Examination, the fees being two rupees per mensem for Muhammadans up to a limit of 17, and Rs. 6 for all others. Krishnagar College.

AFFILIATED, 1857.

This College was founded by Government in 1845, and is under the control of the Director of Public Instruction, Bengal.

Any person who has passed the University Entrance Examination may be admitted. Students pay a monthly fee of Rs. 5.

The College is a handsome building, standing upon 3 bigahs of land, and surrounded by an enclosed compound of upwards of 100 more. It was erected in 1856 at a cost of Rs. 66,876; 17,000 of which was collected by private subscription. In consideration of the liberality thus manifested in the district, a donor of Rs. 1,000 is allowed to place a boy, free of expense, at the College in perpetuity, and another, for every Rs. 500 additional he may have subscribed. Part of the ground occupied was purchased by Government; for the remainder, the College is indebted to the munificence of the Maharaja of Nuddea and the Maharani Swarnamayi, of Cossimbazar.

In 1871, the B.A. classes (the third and fourth year classes) were abolished by Sir George Campbell, then Lieutenant-Governor of Bengal; and for some years the College only afforded instruction up to the First Examination in Arts. In 1875, however, Sir Richard Temple, on the petition of the chief inhabitants of the district, consented to restore the College to its former status, provided that a considerable share of the increased cost was subscribed for by the community. A sum, amounting to more than Rs. 40,000, was subscribed during the year, and with this endowment the College was re-established on its original footing. Classes for the A Course for the B. A. were opened in June, 1888.

A prize of Rs. 80, founded by Babu Mohinimohan Ray, in 1883, and called the Mohinimohan Ray prize, is awarded annually to the student who most successfully passes the B. A. Examination with Honours, or to a graduate of the College who passes the M. A. Examination in any subject.

Berhampur College.

AFFILIATED, 1857.

It was opened as a College in 1853. The foundation stone of the building, one moiety of the cost of which was paid by the community, was laid in 1863, and it was occupied in 1869.

In 1865, the Institution was raised to the status of a College giving instruction up to the standard of the B. A. Examination of the Calcutta University. A Law Department was added in 1864. The status was, however, reduced in 1872 to that of a second grade College, and the Law Department was abolished in 1875.

The Institution again became a first grade College with a Law Department attached, in 1888, an M. A. class was opened at the commencement of the year 1889-90. In the B. A. classes instruction is given in the Arts Course. The College is open to all classes of the community, and any University undergraduate is admissible. The monthly fee, in the General Department, is Rs. 3.

Attached to the College is a Hindu hostel, the boarder's fee for which is Rs. 5 a month, Rai Rajib Lochun Roy Bahadur, the generous Dewan of Her Highness the Maharani Swarnamyi of Cossimbazar, died in 1881 leaving the sum of Rs. 15,000 to the Berhampur College, the interest to be used for assisting deserving students.

The interest of this sum is used in giving five scholarships of Rs. 5 a month each, to the five students who gain the highest marks among the candidates, who compete for the Entrance Examination from the Berhampur centre. Each student retains his scholarship for two years, on the condition that he continues for that time in the Berhampur College, after passing the Entrance.

Full information about these scholarships will be obtained by referring to the Calcutta Gazette, dated 10th December 1884, Supplement, page 2457.

In pursuance of the policy recommended by the Education Commission and adopted by the Government of India, the Bengal Government decided in 1886 to transfer the Berhampur College to private management. The munificent offer of Her Highness the Maharani Swarnamayi, C. I. of Cossimbazar, to maintain the College for five years was accepted.

Accordingly, by a Bengal Government Resolution, dated the 14th May 1887, the control of the College, administrative and financial was vested in a Board of Trustees, nominated by the Maharani. The Board consist of the District Magistrate and the District Judge for the time being, Babu Baikantnath Sen, B.L., Babu Srinath Pal, B.L., Babu Shyama Das Roy, Babu Radhikacharan Sen, Zemindar, and Babu Gopal Chundra Mukerjee, M.A., B.L., Pleader, Judge's Court, Murshedabad. It was under the management of the Board of Trustees, that the institution was restored to its former status as a first grade College.

Doveton College

AFFILIATED, 1857.

This College is attached to the Parental Academic Institution, a day and boarding-school which was established on the 1st March 1823, by a body of Christian parents who were anxious to secure for their children the benefits of a liberal education, its affairs being conducted by a Committee of Management elected chiefly from among the parents.

In 1855 a legacy of rupees two lakhs and thirty thousand was bequeathed to the Institution by the late Captain John Doveton, which enabled the Committee of Management to extend its sphere of usefulness by the addition, in 1856, of an Infant School or Initiatory Department, and the establishment of a College Department, named in honour of the donor. A few years later a Girls' Department was added.

In 1871 other bequests were made to the Institution by the late Mr. Lawrence Augustus de Souza, of the Firm of Messrs. Thomas de Souza and Sons of Calcutta. These consist, first, of the interest on a sum of rupees Three Lakhs, made permanently applicable to the maintenance and education of a certain number of boys and girls of East Indian parents of a certain class, who are admitted as boarders on the "Lawrence de Souza foundation," at the age of 10, and kept at school till the age of 18; and second of the interest on a sum of Rs. 15,000 for the establishment of a Scholarship in English literature styled the "Lawrence de Souza Scholarship." It is of the value of Rs. 50 per mensem, and is tenable for one year at the Doveton College; but it is open to any East Indian boy from any School or College, the successful candidate of one year being at liberty to compete for and hold the Scholarship from year to year until he graduates.

In addition to the above, Mr. L. A. de Souza bequeathed a further sum of Rs. 30,000, the interest of which is to be applied towards the education in England of an East Indian youth of ability, with the view of enabling him to compete for the Covenanted Civil Service of India This is open to any East Indian candidate, whether educated at the Doveton College or elsewhere.

St. Paul's School, Darjeeling.

AFFILIATED, 1857.

This School was founded in 1845, and was formerly located in Chowringhee, Calcutta. In 1863 the want of a good school in the hills was much felt, and Calcutta being well supplied with schools the old premises were sold, and with the proceeds an estate was purchased in Darjeeling, and a new school bearing the same name as the school in Calcutta was built.

In 1858, two scholarships, worth 20 rupees a month, were founded as a memorial of Bishop Wilson, who had been from the beginning a warm friend to the school. One is given every year, and held for two years.

In 1863, Mr. Patrick Arson of Calcutta bequeathed to the school Rs. 3,500—Government securities 5 per cent.—to establish an "Arson Scholarship"

The school is managed by a Committee meeting in Calcutta, of which the Bishop of Calcutta is President and the Archdeacon Vice-President. The present Secretary is the Ven. F. R. Michell, Archdeacon of Calcutta. There is also a Referee in Darjeeling, who inspects the accounts and consults with the Rector in emergencies.

The course of study is that prescribed by the University for its examinations for degrees in Arts, and the Code of education for European schools with the addition of religious training upon the principles of the Church of England.

The General Assembly's Institution, Calcutta.

AFFILIATED, 1864.

This Institution was established in 1830, by the General Assembly of the Church of Scotland. It is the oldest Institution of the kind in India: for it was here that the system, now all but universally followed, was first tried—of imparting the highest forms of knowledge, including sound Christian instruction, through the medium of the English language. Before this experiment, Bengali, or Sanskrit had been exclusively favoured in Bengal by the Government, by Oriental Scholars and even by Missionaries themselves. The new system was introduced by Dr. Duff, who began his Missionary labours by founding this Institution. Valuable help in the way of procuring pupils was given at the commencement by the famous Rajah Ram Mohan Roy. The success of the Institution soon surpassed all expectations. The Governor-General declared publicly that it had produced "unparalleled results." After having been carried on for some years in various hired premises, the Institution was removed in 1839 to the present building, which is most conveniently situated in Cornwallis Square, in the very centre of the Hindu population.

The Institution was temporarily closed in 1844, in consequence of the secession of the Missionaries with the Free Church. But it was re-opened in 1846 by the Church of Scotland, under the superintendence of the late Rev. Dr. Ogilvie, by whom it was carried on uninterruptedly, and with great efficiency, till his death in 1871. Dr. Ogilvie was succeeded by Dr. Robert Jardine, who retired in 1876; after which Mr. James Wilson officiated as Principal for the next two years. The Principals since then have been the Rev. William Hastie, M.A., B.D., and the Rev. William Smith, M.A.

The General Assembly's Institution is divided into two Departments,—the College Department and the School Department.

In the College Department, which has been affiliated in the Faculty of Arts to the University of Calcutta since 1864, the students pay a monthly fee of Rs. 5 each. The regular subjects of the University curriculum are taught, embracing the English language and literature, the Sanskrit language and literature, history, mathematics, pure and applied, chemistry, physics, mental philosophy, and the doctrines and evidences of the Christian religion.

In the School Department pupils pay fees from—to Rs. 3 a month. Careful attention is given to instruction in religious knowledge.

Scholarships and Prizes.

1. The Macfarlane Gold Medal is awarded every year to the student of the fourth-year class who shows the greatest proficiency in all the College examinations of the year.

2. The Ogilvie Memorial Scholarship, of at least Rs. 5 per mensem, is awarded every alternate year to the student of the second-year class who takes the highest position in all the College examinations, and succeeds in passing the F. A. Examination of the University. This Scholarship is tenable in the General Assembly's College for the two years after passing the First Examination in Arts.

3 The Macleod Memorial Scholarship is awarded to a Christian student, who being an under-graduate of the Calcutta University is preparing for the ministry of the Christian Church.

4. The Steel Gold Medal is given for Scripture knowledge.

Bishop Cotton School, Simla.

(FOUNDED, 1859 : AFFILIATED, 1866.)

This School, the Head Mastership of which is in the appointment of the Bishop of Calcutta, was founded by the Most Rev. G. E. L. Cotton, Bishop of Calcutta, under the name of the Simla Public School. The Founder promulgated statutes for the School in 1863; wherein he styled his foundation, the Bishop's School, Simla; but this designation was subsequently changed, in 1866, to that at present in use for the purpose of perpetuating the name and generosity of the Founder.

The Government of the School is vested in a body of eight Governors, who act in conjunction with the Head Master.

The Governors are four *ex-officio*, and four elected from permanent residents of Simla.

The Head Master must be a communicant, and, *ceteris paribus*, one in Holy Orders is to be preferred to a Layman; the second and Assistant Masters and all subordinate officers are appointed by the Head Master, their number being fixed by the Governors.

There are eight exhibitions of the annual value of Rs. 120, which are awarded to boys whose parents cannot without difficulty pay the full charges for their education.

A limited number of other exhibitions has also occasionally been awarded either under the same conditions as above, or as prizes given by examination: twelve such are being held at the present time.

The Trustees have the right of accepting any exhibitions founded by private liberality, under any rules, or on any patronage of which they approve.

The course of instruction in the Primary and Middle Departments of the School is framed upon the Educational Code of the Panjab Government: the High School adopts for its standard the curriculum of this University. Latin and Urdu are taught throughout the School: French, Greek, Drawing, Music, and Carpentering are taught as optional subjects. All the scholars are required to attend daily prayers, and to receive regular instruction in Holy Scripture. There is also instruction at stated times in the Church Catechism

and the Prayer Book. There are at present 129 boys on the boards, of whom 33 are day boys and there is further accommodation for 68 boarders.

Rajshahye College.

AFFILIATED, 1878.

The College is under the control of the Director of Public Instruction, Bengal.

It is a Government Institution, originally established as a Zila School in 1836. In 1873, it was raised to a Second Grade College (High School), and in 1878, to a First Grade College, the additional expenditure on this account being met partly by a State contribution, and partly by local subscriptions, and the proceeds of an estate granted in perpetuity to Government by Raja Haranath Ray, Bahadur, of Dubalhati. Instruction is given up to the standard of the B. A. examination of the Calcutta University. Lectures in law are delivered and students are prepared for the B. L. examination. The students in the General Department and also those in the Law Department pay a monthly fee of Rs. 3. There is one Free Student ship called the Mayo Free Studentship, tenable for two years, open to the students in the 3rd year class.

Attached to the College and under the control of the Principal are a Junior Madrasa and a Mahomedan Hostel.

An annual prize of Rs. 80, called the Mohinimohan Ray Prize, is awarded to the student who most successfully passes the B. A. examination with Honours, or to a graduate of the College who passes the M. A. in any subject.

A Dighapatia Scholarship of Rs. 20 a month, tenable for one year, is awarded annually to the most successful candidate who passes the B. A. examination from this College, on condition that he will continue the M. A. course in the Rajshahye College. Preference is given to one who passes the B. A. examination with Honours. In addition to this, five scholarships of Rs. 3 each per mensem, tenable for two years, are awarded annually to the five best students who,

having passed the F. A. examination, read for the B. A. degree in this College.

Higher English education has been progressing in Rampore-Beauleah by leaps and bounds during the past decade. Under the very able administration of Mr. Edwards (now transferred to Dacca) the Madrasa and the College buildings were erected in 1883 and 1884, at a cost of Rs 38,000 and Rs 60,000 respectively.

Besides Mr. Edwards there are two other gentlemen, Babu Hara Govinda Sen and Mr. Brühl, who receive the grateful thanks of the community for the present extraordinary success of the Rajshahye College.

A new Boarding-house, called the Pramathanath Hindu Boarding-house, has been built in connection with the College. But owing to want of funds, it has not yet been opened. There is good grounds for hoping, however, that it will soon be opened.

London Mission College, Benares.

AFFILIATED, 1871.

This College is the result of the gradual growth of a small vernacular school formed in the Sikraul suburb of Benares, by the Rev. M. T. Adam in 1821, the year after the Benares Mission of the London Missionary Society was established by him. In 1823 this School was succeeded by another founded by him in the Kashipur portion of Benares. Such schools gradually multiplied, until in 1840, they

were eight in number and contained 405 pupils. Early in 1844 a superior Education Establishment was opened under the name of the Central School in the heart of the city; and in November, 1845, its standard was raised by the addition of an English Department. During the next twenty-five years it gradually absorbed into itself the smaller schools; and its educational character steadily advanced until it reached the Entrance standard of the Calcutta University. In 1870 it was removed to a suburb of the city and united with another school which had rapidly sprung up there. In the following year this amalgamated institution was affiliated under the name of the London Mission High School up to the First Arts standard of the Calcutta University. During the succeeding twelve years its progress continued; and early in 1883 it was affiliated under the name of the London Mission College up to the B. A. standard of the Calcutta University.

The number of students on the rolls is about four hundred and fifty. Instruction is given in Christianity and in general secular subjects from the Alphabet in English and in the vernaculars up to the B. A. standard.

The late Maharaja of Vizianagram, K.C.S.I., endowed the institution with a sum of money for the annual purchase of a gold medal of the value of eight pounds, to be called the "Vizianagram medal," to which is attached a small monthly scholarship. In addition, the College awards several scholarships to deserving students, tenable for twelve months.

This Institution was founded as a school under the name of the City School in January, 1879. The aim of the Institution from the beginning has been to impart education on a broader basis than usually adopted; so that it should embrace not only intellectual training and proper enforcement of discipline, but also the improvement of character and the healthy development of all the faculties of the mind. The success of the Institution, and a desire further to develope and carry out their ideas regarding education, led the College Council to add a College Department, which has been affiliated to the Calcutta University up to the standard of the First Arts Examination from January, 1881, and up to the B. A. standard from January, 1884.

Particular attention is paid to the moral training of the students, and special classes are held in Gymnastics, Drawing, Music and Science. The Drawing class is also open to outsiders on payment of Re. 1 per month.

Extra lectures are delivered to students with a view to impart general information and to create in their minds an interest in things outside the immediate range of class studies. The Library and the Reading Rooms in connection with the Institution also help in furthering this object.

Besides the annual and periodical examinations, special or Honour Examinations are held in the subjects studied in the different classes, at which more advanced students compete and by which aptitude in special subjects is encouraged. Monthly returns as to the attendance, progress and conduct of the pupils are sent to their guardians, whose suggestions and co-operation are also invited.

There is a limited number of Scholarships and free-studenships awarded to the students passing the University Examinations.

The Institution is open to all classes of the community and consists of a College and a School Department. It has two branch schools teaching up to the standard of the University Entrance Examination, one in the town of Mymensingh, called City Collegiate School, Mymensingh Branch, opened in January, 1883, and the other in the northern parts of the City, called City Collegiate School, Sovabazar Branch, opened in June, 1886.

Jaypur Maharaja's College.

AFFILIATED, 1873.

This College was founded in 1844 by the Jaypur Durbar to secure for the people of Jaypur the benefits of a liberal education. It was originally opened as a school; but the success of the institution having shown that its sphere of usefulness might be extended, it was raised to the status of a College, and affiliated to the Calcutta University up to the F. A. standard in 1873, the instructive staff being at the same time augmented and improved to meet its wants. The Institution is now affiliated also to the new University of Allahabad, and comprises three departments,—an English, an Anglo-Vernacular, and an Oriental Department The English Department consists of the College proper, giving instruction up to the B. A. Standard of the Allahabad University, and a Preparatory School containing 12 graduated classes, many of which are divided into sections. In the Anglo-Vernacular Department all subjects are taught in Hindi, and English is taken as a second language. In the Oriental Department, Arabic, Persian, or Sanskrit is exclusively taught, and the students are trained up for the Oriental Examinations of the Punjab University. The average number of students on the roll of the College is 1,500. Besides intellectual training and a proper enforcement of discipline, particular care is taken to ensure the physical and moral well-being of the students. The Institution also affords to its students the advantages of such an education as may fit them for State employment or professional careers

A Library and a Debating Club are attached to the College.

Connected with the College and under the control of the Principal is a Rajput School, attended only by the young chiefs of the State who undergo a special course of instruction.

The College is also the centre of a number of schools in the State, which are in a manner affiliated to it and are under the control of the Principal. These schools are divided into District Schools, Village Schools, and Girls' Schools, and amount in number to 160, with a daily attendance of about 7,000 pupils. A system of examination is in force for the whole of Jaypur, the chief State Schools sending candidates to the main Institution. These examinations are intended to

lead up to the Middle Class Examination, and are managed by the Principal of the Maharaja's College.

The educational institutions described above are entirely supported by the State, no tuition or entrance fee being exacted from the students. Prizes and scholarships to the value of more than Rs. 7,000 are awarded every year to deserving pupils according to the results of periodical examinations, and examinations in special subjects. Books, too, are given gratis to poor boys, many of whom also receive stipends for their maintenance.

All graduates and undergraduates of the College receive scholarships from the State, varying from Rs. 8 to Rs. 25 a month, and tenable for two years.

A medal is annually awarded by His Excellency Lord Northbrook to the first boy of the College for general proficiency, in commemoration of his visit to Jaypur in 1876.

This School is entirely maintained by funds paid by His Highness the Maharaja from his treasury, and the schooling fee varies with the income of the parents. The College has been a self-supporting one from the beginning, being maintained entirely from fees. It consists of two departments, the English and the Vernacular, containing thirteen classes, many of which are divided into sections. The

College Department was opened in 1881, teaching up to the standard of the First Examination in Arts. In the Vernacular classes both English and Bengali are taught, but the latter is used as the principal medium of instruction. Besides the branches rendered compulsory by University requirements, the College insists upon regular instruction in the principles of ethics, separate hours being set apart for lectures on that subject. There are classes also for music and elementary science.

Burdwan Raj College.

AFFILIATED, 1882.

This Institution, since its first establishment in 1817, has been one of slow but steady growth. True to its mission of supplying the demands of the public of Burdwan for education, in the modern acceptation of the term, it has always kept pace with the real wants of the place. Started as an Anglo-vernacular school, imparting rudimentary education which satisfied the intellectual craving of the Burdwan people of the early days of British rule in India, it passed through different stages of improvement, developed various phases of usefulness, and at last attained a recognized position as a second grade College in 1881.

The educational establishments of His Highness the Maharaja divide themselves at the present time under six heads:—First, the College Department, which is open to all students that are matriculated in the Calcutta University, teaching up to the F. A. standard.

Second, the School Department serving chiefly as a feeder or tributary to the above, preparing students for the Calcutta University Entrance Examination.

Third, the Bengali School, teaching up to the Vernacular Scholarship Examination standard.

Fourth, the Persian Department, teaching, amongst others, those boys of the first two Departments that take up Persian as their second language.

Fifth, the Sanskrit School, imparting instruction in the orthodox native style to those whose religious scruples prevent them from availing themselves of the advantages of the English school.

And sixth and last, the Girls' School, the present provision in connection with which, though meagre, is more than sufficient to meet the requirements of female education as it is understood in Burdwan. All these Departments, with the exception of the last two, are under the control of the Principal.

The disbursements in the different Departments aggregate annually about Rs. 21,000, they being entirely met by the munificent charity of His Highness the Maharaja.

Education in all its varieties and phases is imparted gratuitously, several boys in consideration of their extreme indigence being found in money, besides being provided with free tuition.

Three scholarships of Rs. 10 per month each, and tenable for two years, are annually awarded to the best amongst those successful F. A. candidates from the College who fail to secure Government Senior scholarships, to enable them to study for the B. A. Examination.

Uttarpara College.

AFFILIATED, 1887.

This College is the final outcome of the long-continued efforts of Babu Jaykissen Mukherji (lately deceased) in furtherance of the cause of English education in Bengal. In 1846 he had a Government School opened at Uttarpara, on the basis of an endowment by him and his brother Babu Rajkissen Mukherji (also deceased), of Rs. 1,200 a year, and a Government assignment of equal value. The School prospered, and won its way to the front rank among the Schools in Bengal.

Babu Jaykissen's wish was that his School should ultimately expand into a College, and to this end so long ago as the year 1853 he asked Government to raise the School to a first class College, offering to contribute an equal sum with Government towards the maintenance of the College. In 1883 he submitted a proposal for the conversion of the School into a second grade College, offering to make an endowment for its support, so that it might cost the Government nothing. The recently initiated educational policy of Government stood, however, in the way of his proposal being accepted, and it was accordingly not accepted.

He finally went up to Government in April, 1887, with a proposal for the establishment of an aided College in connection with the old Government School. Government accorded him permission to open such a College, but on the condition that he took the School off the hands of Government. He agreed to do so, provided Government left the School the material advantages it derived from its connection with Government. It took some time to settle the terms of the transfer, which was formally effected in March, 1889 The College and the Collegiate School are now under the management of a Board consisting of the Magistrate of Hughli as President, of Raja Pyarimohan Mukherji, C S I., and Babu Rasbihari Mukherji as representatives of the late Babu Jaykissen Mukherji, and of Babu Manohar Mukherji as representative of the late Babu Rajkissen Mukherji.

The rate of fees in the College is Rs. 4 a month, and in the School it varies from Rs. 3 in the three highest classes to Re. 1 in the lowest class.

A boarding establishment has been opened in connection with the College and School, and the charge is moderate. This Institution owes its existence entirely to Babu Jaykissen Mukherji's liberality. It is sad to think he has not lived a few years more to see his College prosper as his School has prospered.

Two Scholarships of the value of Rs. 10 each, called "Jaykissen Scholarships," and tenable for two years at an affiliated College, are to be given every year by a gentleman who wishes that his name be not published, at least at present, to successful candidates from the Uttarpara College who, after having prosecuted a regular course of study in the College for full two sessions, pass in the 1st or 2nd Division at the First Arts Examination without winning Government Senior Scholarships. The award is to be made to those two students who stand highest among those who may satisfy the above requirements. Should one or both the Scholarships remain unawarded any year, they are to be awarded the next or any succeeding year in addition to the two annual scholarships. In making these additional awards the condition of two sessions' continuous study in the College is to be dispensed with.

Armenian College.

AFFILIATED, 1888.

This College is attached to the Armenian Philanthropic Academy, a day and boarding School, which was established on the 2nd of April, 1821, by influential members of the Armenian community resident in Calcutta, "for the education of our youth both rich and poor." In 1813, Chatoor Mooratkhan bequeathed a sum of Rs. 8,000, towards the opening of such an institution, and his liberality was so supported by a large number of donations, that when the Academy was set on foot it owned over Rs. 2,00,000.

Until the year 1883, the affairs of the School were administered by a number of Armenian gentlemen, who were styled Members of the Institution, and who elected four of themselves to be Managers. But in that year, under a decree of the High Court of Judicature at Fort William in Bengal, a scheme was drawn up for the future regulation and management of the Academy. The Funds of the School were placed in the hands of the Official Trustee of Bengal, and a Board of Managers was appointed.

The College keeps on its rolls about thirty foundationers of Armenian parentage. Some of these lads are provided for by the Armenian Association of Batavia; others, by the Armenian Church of Calcutta, and others, by the College itself. Besides these, pupils of all denominations are received as boarders and day scholars on payment of the usual fees.

Brajamohan Institution, Barisal.

AFFILIATED, 1889.

This Institution was founded as a higher class English School on the 27th of June, 1884, by the late Babu Brajamohan Datta, Small Cause Court Judge of Nuddea, at the request of the District Education Committee, who had been instructed by the Director of Public Instruction to secure the establishment of a private school, as the number of students in the Barisal Zila School had at that time exceeded 600, and the building was found too small for the accommodation of so many boys. Babu Brajamohan expressed his wish to raise the Institution to the status of a second grade college, but could not fulfil his desire because of his sudden death. His sons, encouraged by the unexpected success of the Institution and with a view to carry out the wishes of their deceased father, have added the college classes, which have been affiliated up to the F.A. standard of the Calcutta University since June, 1889.

The object of the Institution is to give to the students intellectual, physical, as well as moral training, without any reference to any particular sect or creed. Particular attention is paid to the proper enforcement of discipline.

Monthly statements showing the attendance, progress, and conduct of the pupils of the School Department are sent to their parents for their remarks and suggestions. Meetings of teachers and guardians are held at intervals for the purpose of consulting each other on matters of internal economy.

The tuition fee in the college department is Rs. 3 a month.

Free studentships are awarded in consideration of the circumstances and merits of each applicant.
